## WITHIN A LINE

|            |            |                                         |
|------------|------------|-----------------------------------------|
| <b>f c</b> | <b>t c</b> | jump onto / till before c               |
| <b>F c</b> | <b>T c</b> | same, backwards                         |
| <b>;</b>   | <b>,</b>   | repeat find / reverse it                |
| <b>0</b>   | <b>^</b>   | <b>\$</b> line start / first char / end |

## BY WORD

|          |            |                         |
|----------|------------|-------------------------|
| <b>w</b> | <b>b</b>   | next / previous word    |
| <b>e</b> | <b>ge</b>  | end of word, fwd / back |
| <b>W</b> | <b>B E</b> | same, space-separated   |

## BY BLOCK

|          |          |                      |
|----------|----------|----------------------|
| <b>{</b> | <b>}</b> | paragraph up / down  |
| <b>%</b> |          | matching ( ) [ ] { } |

## INSERT — WHERE IT COUNTS

|           |          |                            |
|-----------|----------|----------------------------|
| <b>i</b>  | <b>a</b> | insert before / after      |
| <b>I</b>  | <b>A</b> | insert at line start / end |
| <b>o</b>  | <b>O</b> | open line below / above    |
| <b>gi</b> |          | insert at last edit spot   |

## SCREEN & FILE

|            |            |                                    |
|------------|------------|------------------------------------|
| <b>gg</b>  | <b>G</b>   | top / bottom of file               |
| <b>42G</b> |            | go to line 42                      |
| <b>H</b>   | <b>M</b>   | <b>L</b> screen top / mid / bottom |
| <b>C-d</b> | <b>C-u</b> | half page down / up                |
| <b>zz</b>  |            | center the cursor line             |

## SEARCH

|              |          |                           |
|--------------|----------|---------------------------|
| <b>/text</b> |          | search forward (? = back) |
| <b>n</b>     | <b>N</b> | next / previous match     |
| <b>*</b>     | <b>#</b> | search word under cursor  |

## JUMPS & MARKS

|            |            |                         |
|------------|------------|-------------------------|
| <b>C-o</b> | <b>C-i</b> | back / fwd in jump list |
| <b>ma</b>  | <b>`a</b>  | set mark a / jump to it |
| <b>`</b>   | <b>`</b>   | back to pre-jump spot   |
| <b>gd</b>  |            | go to definition        |

## COUNTS WORK EVERYWHERE

|           |           |                               |
|-----------|-----------|-------------------------------|
| <b>5j</b> | <b>3w</b> | <b>2}</b> multiply any motion |
|-----------|-----------|-------------------------------|

## OPERATORS (verb + motion)

|             |             |          |                            |
|-------------|-------------|----------|----------------------------|
| <b>d</b>    | <b>c</b>    | <b>y</b> | delete / change / yank     |
| <b>&gt;</b> | <b>&lt;</b> | <b>=</b> | indent right / left / auto |
| <b>gu</b>   | <b>gU</b>   |          | lowercase / UPPERCASE      |

## TEXT OBJECTS (after d c y v)

|           |           |                           |
|-----------|-----------|---------------------------|
| <b>iw</b> | <b>aw</b> | word / word + space       |
| <b>i"</b> | <b>i'</b> | inside quotes             |
| <b>i(</b> | <b>i{</b> | <b>i[</b> inside brackets |
| <b>a(</b> | <b>a"</b> | ...including the pair     |
| <b>ip</b> | <b>ap</b> | paragraph                 |
| <b>it</b> | <b>at</b> | inside / around HTML tag  |

## THE MONEY COMBOS

|            |                  |                        |
|------------|------------------|------------------------|
| <b>ciw</b> |                  | rewrite word at cursor |
| <b>ci"</b> | <b>ci(</b>       | rewrite string / args  |
| <b>dap</b> |                  | delete paragraph       |
| <b>yiw</b> | <b>then viwp</b> | copy word, paste over  |
| <b>.</b>   |                  | repeat last change     |

## POWER

|                      |              |                        |
|----------------------|--------------|------------------------|
| <b>qa...q</b>        | <b>@a</b>    | record / play macro    |
| <b>" + y</b>         | <b>" + p</b> | system clipboard y / p |
| <b>:%s/old/new/g</b> |              | replace in whole file  |

## LINE & CHAR EDITS

|            |            |           |                                     |
|------------|------------|-----------|-------------------------------------|
| <b>dd</b>  | <b>yy</b>  | <b>cc</b> | del / copy / change line            |
| <b>D</b>   | <b>C</b>   | <b>Y</b>  | same, cursor to line end            |
| <b>x</b>   | <b>r</b>   | <b>c</b>  | <b>s</b> del char / replace / subst |
| <b>J</b>   |            |           | join with line below                |
| <b>p</b>   | <b>P</b>   |           | paste after / before                |
| <b>u</b>   | <b>C-r</b> |           | undo / redo                         |
| <b>C-a</b> | <b>C-x</b> |           | number +1 / -1                      |

## VISUAL MODE

|                |          |            |                           |
|----------------|----------|------------|---------------------------|
| <b>v</b>       | <b>V</b> | <b>C-v</b> | char / line / block       |
| <b>o</b>       |          |            | to other end of selection |
| <b>gv</b>      |          |            | reselect last selection   |
| <b>C-v → I</b> |          |            | multi-line insert         |

## THIS CONFIG

|                 |            |                           |
|-----------------|------------|---------------------------|
| <b>C-scroll</b> |            | font size (C-0 reset)     |
| <b>C-1...5</b>  |            | pick one of five fonts    |
| <b>C-8</b>      | <b>C-9</b> | cycle nacre themes        |
| <b>C-q</b>      |            | save everything & quit    |
| <b>nvim</b>     |            | bare start = last session |
| <b>Space</b>    |            | leader: LazyVim actions   |
